

We are ...

A team of dedicated, highly trained Patient Advocates with an expert knowledge of PAP rules and regulations. We take a comprehensive approach by working across hospital specialties such as:

Emergency, Rheumatology, Oncology, Infectious Disease, Gastroenterology, and many others. Our team works to maximize your facilities' drug recovery opportunities, saving money for your pharmacy and your patients

IPS was founded in 1991 to provide assistance to patients and hospital pharmacies by facilitating PAP programs offered by pharmaceutical manufacturers.
